

Chisomo Dunkley

Lot 225 8 West, Greater Portmore, St. Catherine | chisomo.dunkley25@gmail.com | (876) 416-0021

Objective

Passionate and driven IT and Robotics Teacher with a strong foundation in Biochemistry and Computer Science. Skilled in managing IT infrastructure, leading educational initiatives in robotics and multimedia, and providing creative solutions through graphic design and photography. Currently enrolled in a Master's in Cybersecurity program at the Georgia Institute of Technology to advance technical expertise and leadership in information security and education.

Education

Master of Science (MS) in Cybersecurity

Georgia Institute of Technology - August 2026 to Present

Bachelor of Science (BSc) in Biochemistry and Computer Science

University of the West Indies

Professional Experience

IT and Robotics Teacher

Portmore Missionary Preparatory and Kindergarten School – September 2023 to August 2026

- Manage all IT-related operations, including hardware, software, and network troubleshooting for the school.
 - Teach robotics, engineering, and IT subjects to students in various grades, fostering a hands-on learning environment.
 - Developed and implemented a comprehensive computer studies curriculum covering computer basics, document preparation, and robotics.
 - Founded the school's Robotics Club, which competes in the Bebras Challenge, Kangaroo Math Challenge, and OUCC Challenge.
 - Lead students in preparing for regional robotics competitions, emphasizing programming autonomous robots and strategic problem-solving.
 - Created and manage the school's Multimedia Club, responsible for content creation and social media management.
 - Support students in developing technical skills, including coding, robotics, and graphic design.
-

Additional Experience

Freelance Graphic Designer & Photographer

St. Catherine, Jamaica — 2018 to Present

- Specialize in amateur graphic design and photography projects, including event photography, branding, and personal commissions.
- Worked with individuals and organizations to create digital content, enhancing social media presence and promotional materials.

Dance Team Manager

Portmore Missionary Dance Troupe - 2019 to Present

- Lead and manage a local dance team, coordinating rehearsals, events, and performances.
- Organize logistics for performances and ensure smooth operations of team activities, contributing to team success and engagement.
